Bermixer PRO 350W with a 14" tube (constant pressure switch)

Short Form Specification

Item No. _____

Bermixer PRO handheld mixer with stainless steel tube and space saving storing wall support. Parts in contact with food - tube, blade, shaft - completely dismountable without tools and dishwasher safe. Bell knife design ensures antispash system and minimum handling during working operations. Flat motor base with ergonomic handle for a convenient grip. Electronic speed variator with speed regulation regardless of the load. Electronic speed adjustment by pulse on + and - buttons. Designed for heavy duty usage: double fan system to cool down the motor. Water proof (IP55) control panel to control speed levels and overload warning light. Constant pressure switch in line with latest UL standards, improving user safety while handling the mixer.

WARRANTY: 1 year Parts and 1 year Labor

Main Features

- Parts in contact with food - tube, blade, shaft - can be completely dismounted without tools for easy cleaning.
- Delivered with:
 - flat base motor
 - stainless steel tube
 - space saving storing wall support
- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.
- Anti-splash bell knife design.
- Bayonet system makes fast and simple to exchange tools.
- Overheating warning red indicator.
- Tube, knife and whisks are dishwasher safe.
- Safety feature requires both hands to start the mixer (no volt release system).
- Productivity suitable for 50 to 300 meals per service.
- Designed to be used directly into pots (using accessories) up to 13 gallons (50 lt).
- Very easy to use, assemble and dismantle.
- Bayonet system to easily remove accessories without the use of tools.
- Red luminous indicator flashes when the device is overloaded.
- Its light weight ensures an optimum comfort for the user.
- Designed to be used directly in stew pots up to 8 - 13 gallons (30 - 50 lt), depending on the tube size.
- Thanks to its electronic speed variator, a quick press with the thumb on the selector is all you need to change speeds.

Construction

- Power: 350 watts (1/2 HP).
- Maximum speed 9000 rpm.
- Motor has an air cooling system and is protected against overheating (in case of long intensive work).
- Smart speed control to ensure the right power according to the work load.
- Water protected motor unit (controls are IP55, IP34 throughout machine).

Included Accessories

- 1 of BermixerPRO Stainless Steel cutter tube 14in (353mm) PNC 650132

Optional Accessories

- BermixerPRO Stainless Steel cutter tube 14in (353mm) PNC 650132
- BermixerPRO Stainless Steel cutter tube 18in (453mm) PNC 650133
- BermixerPRO Adjustable Rail, for containers 15in - 26in, to be combined with bowl cradle PNC 653292
- BermixerPRO Bowl Cradle for containers PNC 653294
