Hand held Mixers

BermixerPRO Portable Mixer 450W (1/2 HP) with Stainless Steel Tube 18"

600396 (DBP4545U) BermixerPRO, immersion blender, portable, hand held, variable speed, with 18in cutter tube, 450 watt (1/2 HP)

Short Form Specification

Item No. _____

B3000 Bermixer, portable, hand held, variable speed, handle grip, with 18" cutter tube, 450 watt (1/2 HP), 115v/60/1

WARRANTY: 1 year Parts & 1 year Labor

Main Features

- Removable rotor and mechanism to facilitate cleaning.
- Very easy to use, assemble and dismantle.
- Bayonet system to easily remove accessories without the use of tools.
- Safety feature requires both hands to start the mixer (no volt release system).
- Red luminous indicator flashes when the device is overloaded.
- Its light weight ensures an optimum comfort for the user.
- Thanks to its electronic speed variator, a quick press with the thumb on the selector is all you need to change speeds.
- Parts in contact with food - tube, blade, shaft - can be completely dismantled without tools for easy cleaning.
- Light weight, ergonomic grip and adjustable speeds make preparation tasks fast and easy.
- Anti-splash bell knife design.
- Bayonet system makes fast and simple to exchange tools.
- Overheating warning red indicator.
- Tube, knife and whisks are dishwasher safe.
- Productivity suitable for 50 to 300 meals per service.
- Designed to be used directly in stew pots up to 32gal (120Lt) depending on stainless steel tube length.
- Delivered with:
 - flat base motor
 - stainless steel tube
 - space saving storing wall support

Construction

- Maximum speed 9000 rpm.
- Motor protected from overload by a terminal fuse (alert system).
- Smart speed control to ensure the right power according to the work load.
- Power: 450 watts (1/2 HP).
- Motor has an air cooling system and is protected against overheating (in case of long intensive work).
- Water protected motor unit (controls are IP55, IP34 throughout machine).
