

INTELLIGENT SERIES

Intelligent Series Ice Machines are designed to consume up to **40% less** water than similar competitor units and produce ice up to **20% faster**.

Maxx Ice Intelligent Series self-contained, air-cooled ice machines are perfect for any free-standing or built-in application. Available in both full or half dice cubes, each unit features a sanitary self-contained storage bin. The durable stainless steel and black trim exterior is easy to clean and service. The digital controls and front-breathing design with vertical evaporator will deliver years of reliable ice production.

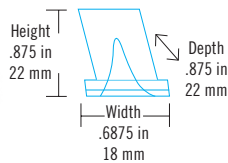

Maxx Ice Intelligent Series modular, air-cooled ice machines are designed for high volume ice production application. The modular units are compatible with most ice storage bins and beverage dispensers. Available in both full or half dice cubes, the stainless steel and black trim exterior features a hinged front panel for easy cleaning and servicing. The digital controls, vertical evaporator and proven ice making technology will deliver years of reliable ice production.

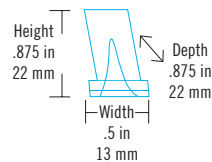

Self-Contained Ice Machine

Digital Controller Display

Full Dice Cube

Half Dice Cube

Meets Energy Star Guidelines

Certified to ANSI NSF 12

Certified to ANSI UL 563

DOE 2018 Compliant

Zero Ozone Depletion Potential

INTELLIGENT SERIES SELF-CONTAINED ICE MACHINES

MIM150N / MIM150NH

MIM200N / MIM200NH

MIM260N / MIM260NH

MIM320N / MIM320NH

- Four self-contained models available
- User friendly, exterior diagnostic digital controller display
- Exterior is constructed of stainless-steel and black trim
- Includes 6' (L) NEMA 5-15 cord set for simple installation
- Produces 100 to 328 lbs of ice daily and has an ice storage capacity of 75 lbs to 100 lbs daily
- Automatic cleaning cycle and bin overflow prevention
- Antimicrobial agent within polyethylene bin liner for improved sanitation

INTELLIGENT SERIES MODULAR ICE MACHINES

MIM360 ON MIB310N BIN

MIM360N / MIM360NH

MIM370N / MIM370NH
MIM500N / MIM500NH

MIM650N / MIM650NH

MIM1000N / MIM1000NH

- Stainless steel, black trim exterior
- Air-cooled compressor
- Programmable, user-friendly digital controls
- Digital screen displays ice machine status
- Automatic cleaning cycle and bin overflow prevention
- Power for unit also illuminates the internal LED light in storage bin (bins sold separately)
- Hinged front panel for easy cleaning and service
- Units are stackable for increased ice production (optional adapter is required)

THE LEGACY COMPANIES

ICONIC BRANDS, LEADING INNOVATION

The Legacy Companies is firmly committed to providing the highest quality of products to foodservice professionals and consumers alike. While our product range varies as much as our customers, our focus to provide equipment that is built-to-last remains. We are a company founded on the premise that customer satisfaction and product quality is placed before all else. We are committed to a set of core values that emphasize the most important part of our business; the endorsement by the people that use our products.

LEGACY

The Legacy Companies was founded in 1998 as two companies, Greenfield WorldTrade and Asbury Food Service. The subsequent history of our growth takes shape through successive phases of acquisitions and organic growth. Today, our headquarters is in Fort Lauderdale, Florida. The Legacy Companies operates domestically while Greenfield WorldTrade operates as the International distributor.
